January 25, 1993

Grant No. 3217

Subject: Smooth Muscle Contraction: Recent Advances
Date: August 24-27, 1993
Location: Ontario, Canada

Dear Professor Stephens,

In response to your letter date January 8, 1993, concerning the above captioned grant, the Scientific Director and CTR's staff recommend that the funds ($2,000) awarded for the 1992 meeting on the Biophysics and Biochemistry of Smooth Muscles may be used to support the above noted symposium. We understand that the postponement of the original meeting scheduled of August 1992, was inevitable due to the overlap with the NATO supported muscle symposium at Siena, Italy.

May we ask you kindly to inform us of any changes in the speakers' roster and subject matter of the symposium.

Sincerely yours,,

George A. Hashim
